## TOP PERFORMERS

From Stanley, the Panorama buffet in a Quicksilver finish, complemented with metallic handles, grabbed buyers at spring market. It measures 74 inches wide and 20 inches deep. [www.stanleyfurniture.com](http://www.stanleyfurniture.com)

The Orian bookcase from JKM Home provides a chic and modern update to the classic étagère. The plaid mahogany, walnut and ebony marquetrie is inlaid, one of its selling points for the price. Stands 94 inches tall and 48 inches wide. [www.jkentmartin.com](http://www.jkentmartin.com)

Century Furniture's new Century Details Custom Bedroom Collection was a hit in High Point with designers and retailers — the customer can select a chest, configuration, design the face of the doors or drawers, choose the hardware and placement, base/leg design and the finish.
