Stylish storage or display options for the media room, dining room, living room or wherever needed

BY MEG COX

**1** | Lexington's new Carlyle credenza/server blends the elegance of Regency with the fresh look of luxe transitional for a classic contemporary look. The rich walnut veneer has a deep espresso finish rubbed to a fashionable sheen. Elegant gold tipping highlights the Regency lines while satin gold hardware with mother-of-pearl inlay adds a jeweler's touch. \$3,369. Home Inspirations in Princeton and Woodbridge or Lexington.com.

**2** | Soft waves on the doors add an organic feel to Vanguard's Putnam Media Console in a wire-brushed finish. Touch latches, instead of hardware, leave the waves uninterrupted. Behind the doors are three adjustable shelves, wire management and ventilation. \$4,497. Luxe Home Co. in Princeton, Schwartz Design Showroom in Metuchen (to the trade), White House Luxe in Fairfield or Westbrock Home in Ridgewood.

**3** | Century's Aria Credenza — from a new 30-piece collection rooted in serenity and sophistication — features a reverse "peek-a-boo" moment where the wood overlays a panel of metal. It's crafted of beech solids and walnut veneers, a wood species selected for its minimal, controlled grain patterns, enhancing the simplicity of each piece. Shown in a Brownstone finish, \$6,597. Salavieh Home Furnishings in Paramus, Luxe Home Co. in Princeton or CenturyFurniture.com.

**4** | Kindel's new Facets Collection allows you to choose from door or drawer chests or credenzas in multiple sizes with an array of options. This version, a three-drawer, two-door, 72-inch credenza, features hair-on-hide doors with a beaded frame and a combination finish: Bone with Dusty Bone lacquer on the drawer fronts only and black marble pulls with burnished brass. The base has a tapered leg. Nail-head trim is optional. \$11,790. Salavieh Home Furnishings in Paramus, Stickley Audi & Co. in Paramus or KindelGrandRapids.com.

**5** | The Sydney Mod Pyramids Four-Door Credenza takes inspiration from Italian Brutalist architecture from the 1970s. Selamat Designs interpreted the geometric design of Florence Broadhurst's Pyramids print into handcarved wood with a glam gold steel base. Shown in green and also offered in black and white. \$2,771.35. Perigold.com.

**6** | The Jacques Credenza from JKM Home stands on iron tippy toes finished in goldleaf. The sizable piece artfully plays with contrasting finishes of aged pewter and rich brown. Beyond its doors are two interior compartments with one drawer and one adjustable shelf in each. \$5,970. Salt Design Co. in Asbury Park and Fair Haven or JKMHome.com.

**7** | There is a sense of reveal and conceal as Koiak takes a beautiful chest in high-gloss lacquer and adorns it in metal organic lace, revealing a mesmerizing hint of what lies beneath. The interior opens to four drawers embellished with organic hardware finished to match the exterior. From \$26,010 to \$30,670 depending on the finish. ByKoiak.com.
